PENDPAC IMPAC™

PARTS MANUAL

labrie
Labrie Enviroquip Group

LABRIE LEACH WITTKE PENDPAC

Thank you for your purchase of a new Labrie Versa Hand. To ensure maximum reliability, Insist on genuine labrieplus replacement parts. Labrie Plus replacement parts are designed and manufactured to exacting standards. The use of counterfeit, will-fit or substitute parts may effect the operation and performance of the unit.

Visit our web site at www.labrieplus.com, or contact us at 1-800-231-2771 USA or 1-877-831-8250 Canada , twenty four hours a day, seven days a week. We are available to help you with any questions or concerns.

TO OUR CUSTOMERS

This manual provides you with the necessary information for the proper parts ordering for your Impac unit plus basic options.

If special schematics are required for the option ordered, they will be inserted in the option section as "special options".

Any questions or problems concerning the electrical or hydraulic schematic should be discussed with Pendpac's service department before changing or modifying.

IMPORTANT

The data and information listed herin is correct to the best of our knowledge and belief. Having been compiled from reliable and official information. However, we cannot assume any responsibility for possible error.

CAUTION

Unauthorized substitution of parts may affect the performance of this Impac unit possibly resulting in malfunction and leading to damage to equipment or injury to personnel. Only approved replacement parts should be used in the repair of this unit.

Pendpac conducts a continuing program of product improvement that can result in changes or additions of parts. We also maintain multiple sources for many of the parts and components we purchase. When ordering replacement parts, specify the serial and model numbers of the unit being repaired so we can assure that the proper part is sent.
