Regional Sales Managers and National Sales Manager

From: Technical Support

Model: All with IFM Multiplex Control Systems

Subject: Diagnostic Guides

Guides are now available to assist with performing diagnostics on Labrie & Wittke units with multiplex control systems, and are included with the distribution of the 2014 1st quarter Technical Service Bulletins. These guides are also available for review and/or downloading via the LabriePlus website, www.labrieplus.com.

These are to be used in combination with the specific wiring schematic(s) for the unit being serviced; please contact LabriePlus Customer Support to obtain the schematic. The Labrie/Wittke body serial number will be required to provide the schematic(s) specific to the unit; the schematic(s) will be provided via e-mail.

Please contact the LabriePlus Service Department at (800) 231-2771 with any questions or for further information.
