

To: All Distributors
Regional Sales Managers and National Sales Manager

From: Warranty Department

Model: N/A

Subject: New Waste Management, Inc. Warranty Booklet

A new warranty booklet has been released for Labrie Enviroquip Group products ordered by Waste Management on or after January 1, 2014. A copy of this booklet is included with the distribution of the 2014 1st quarter Technical Service Bulletins.

Please ensure that the new Waste Management Warranty booklet is reviewed and thoroughly understood by all personnel that may interact with Waste Management for warranty support.

Please contact the LabriePlus Warranty Department at (800) 231-2771 with any questions or for further information.
