**To:** All Distributors, Regional Sales Managers, and National Sales Manager

**From:** LabriePlus

**Model:** AU, EX & FL

**Subject:** ELM00050-02 & ELM00075-04 Delastek Module Replacement

---

The ELM00050-02 & ELM00075-04 Delastek modules used on pre-2011 AU, EX & FL bodies are being discontinued by the supplier. The following retrofit kits have been created to replace the existing Delastek electronic control module with an IFM electronic control module.

**SERV01033 – AU IFM Retrofit Kit**

Replaces ELM00050-02 Delastek module on Automizer bodies.

Existing module connectors will have to be cut off and new pins/connectors installed for adapter harness. Kit includes all parts necessary for conversion.

**SERV01037 – FL IFM Retrofit Kit**

Replaces ELM00050-02 Delastek module on Wittke FL bodies.

Existing module connectors will have to be cut off and new pins/connectors installed for adapter harness. Kit includes all parts necessary for conversion.

**SERV01038 – EX IFM Retrofit Kit**

Replaces ELM00075-04 Delastek module on Expert-T bodies.

Existing module bracket & harness will need to be replaced. Kit includes all parts necessary for conversion.

**NOTE:** Body serial number **MUST** be supplied when ordering to receive the correct programming.

Please contact the LabriePlus Service Department at **(800) 231-2771 (US)** or **(877) 452-2743 (CAN)** for questions or further information
