Subject: Air Filtering Devices

Labrie installs air filtering devices on its different platforms that use pneumatic actuators on the hydraulic valve functions.

Due to a recent vendor change, there are now two different versions of the air filtering system. Please determine which system you have before ordering replacement parts and components.

PREVIOUS VERSION	
Assembly Part#	PNF31000
Air element 40 µm	PNF31020
Coalescent element	PNF31025
Body	PNF31035

NEW VERSION	
Part#	PNF31001
Air element 40 µm	PNF31021
Coalescent element	PNF31026
Body	PNF31036
