**From:** LabriePlus Service

**Model:** ALL

**Subject:** Hydraulic connections O-Rings (Update of bulletin 17-10b)

LabriePlus offers O-Ring kits to service the various hydraulic connections incorporated into Labrie, Leach and Wittke product models. The O-Rings for ORB and ORFS applications may be purchased in kits including 10 packs of each size, or by individual sizes and quantities.

LabriePlus also offers kits for hydraulic split flange fittings, in individual sizes. Each split flange kit provides the required O-Ring for a single split flange connection.

The attached charts provide part numbers for these kits and O-rings. The SERVxxxxx P/Ns will include all P/Ns and quantities listed in their respective chart. If individual O-Rings are needed, they may be ordered under the listed P/N and in the desired quantity.
